***Gluten** may be present at trace levels in some pizza and pasta ingredients. Wheat flour is also used extensively in our kitchen. For these reason we cannot guarantee our pizzas made with gluten-free bases or our pastas using gluten free pasta are 100% gluten-free.

Nut products – pizzas and pastas made with satay sauce or pesto contain cashews and peanuts. Some pizzas are garnished with cashews. Traces of nuts may also be present in other sauces & salad dressings.
